August 21	Sorrow and Confidence	2 Cor. 7:2-16
August 28	Giving	2 Cor. 8-9 (no notes)

2 Corinthians: Suffering for Christ

In Paul's most intimate and personal book, he gives us more information on the meaning of suffering than in any other book in the Bible. In this study, we will be supplementing our study of suffering from Paul's other letters, 1 Peter, the book of Job, and other Biblical passages. The study is intended not only to cover most of 2 Corinthians verse-by-verse conversationally but to also be a broader discussion of "suffering for Christ."
