

## **1-2 Peter Class Summary for 2007**

I Peter identifies conduct required for Christian living and growth in this alienated world, such worldly-odd behaviors as holiness, suffering, submission, and humility. II Peter reminds us of tools supplied by God so that we might access divine power that will give us everything needed for life and godliness, thereby escaping the corruption of this world. The course will be a verse-by-verse discussion of growing faith and love as applied in adverse conditions.
